The studio WILL NOT compromise with graduation parties, early vacations, or early dismissal. It is why we inform you of the studio schedule this far in advance. As such, you & your student need to make your commitment accordingly. Also, while every attempt is made to put a student's class(es) and their sibling(s) class(es) in the same show, this is not always possible. You may have to attend more than one show. Additionally, we make best effort to schedule rehearsal times so as not to conflict with the end of the school year. However, we deal with many different school districts and it is not always possible. We thank you in advance for your understanding.
