PLEASE NOTE that when you & your student agree to participate in the performance(s), it means you have agreed to dedicate the performance week to your schedule. The studio WILL NOT compromise with graduation parties, early vacations, etc. It is why we inform you of the studio schedule this far in advance. As such, you & your student need to make your commitment accordingly. Also, while every attempt is made to put a student's classes and their sibling(s) classes in the same show, this is not always possible. You may have to attend more than one show. Additionally, we make best effort to schedule rehearsal times so as not to conflict with the end of the school year. However, we deal with many different school districts and it is not always possible. We thank you in advance for your understanding and commitment.
